In our college our trainees opined that students centered teaching is more effective and they easily adapted the blended method of teaching, they feel class is very interactive.

- Technology usage and teaching methods were very effective. Students were encouraged to speak boldly in the Assembly.
- They got opportunity to took part in seminar and participate in Talent Search program.
- Effective participation makes them free from stage fear; much important is given for students' suggestion.
- Communicative classes were provided. It makes to improve their self confidence.
- Students are well motivated.
- They mentioned that teaching is correlated with daily life it will be helpful for understanding the community and they are learning how to imbibe values.
